

# STONEVOICE IPP CODEC PLUG-IN for OPAL

LICENSE NUMBER: xxxxxxxxxxxx

PRODUCT CODE: SV-IPP-OPAL-1

DESCRIPTION: IPP CODEC PLUGIN for OPAL commercial license

---

## Contract of license

This document is a legal agreement between the end user (an individual or a company) that has purchased a license of IPP Codec Plugin for Opal (from now on the "License") and Stonevoice.

The use of the following License implies your acceptance of these terms. The term "LICENSE" is used to identify the commercial usage of the open source code/binaries received from Stonevoice or downloaded from the official SourceForge website [www.sourceforge.net](http://www.sourceforge.net).

Such term does not include any other program that is covered by a separate license and distributed as a different entity.

If the end user does not accept the terms of the present contract, Stonevoice does not allow the usage of the LICENSE for commercial purposes.

---

## 1. TERMS AND GUARANTEES

The License and accompanying documentation are being licensed to you, which means you have the right to use the Software only in accordance to this License Agreement. The License allows you to use the IPP Codec Plug-in for Opal in a commercial environment.

The license is absolutely personal therefore it cannot be rented, sold or however sublicensed to no other entity. The end user can use the License for its company and furthermore integrate the IPP Codec Plug-in in its products to redistribute without having to pay additional royalties.

This license is valid from the date of purchase to unlimited time.

This Limited Guarantee is the only explicit guarantee given to the user and replaces any other possible explicit guarantee.

To the maximum extent permitted by applicable law, Stonevoice and its suppliers provide you the Software and any (if any) support services related to the Software ("Support Services") AS IS AND WITH ALL FAULTS; Stonevoice Srl and its suppliers hereby disclaim with respect to the Software and Support Services all warranties and conditions, whether express, implied or statutory, including, but not limited to any (if any) warranties, duties or conditions of or related to: merchantability, fitness for a particular purpose, lack of viruses, accuracy or completeness of responses, results, workmanship effort and lack of negligence. There is no warranty, duty or condition of title, QUIET ENJOYMENT, QUIET POSSESSION, CORRESPONDENCE TO DESCRIPTION or non-infringement. The entire risk arising out of use or performance of the Software and any Support Services remains with YOU.

Licensor does not warrant that The Software is exempt from errors, that all errors may be detected or corrected or that use of The Software will be uninterrupted or error free. The entire risk arising out of use or performance of The Software and any support services remains with Licensee. Licensor gives no warranty that the The Software will operate with Licensee Products or will meet Licensee's requirements. Also there is no warranty or condition of title, quiet enjoyment, quiet possession, correspondence to description or non infringement with respect to the The Software.

## 3. LICENSE CONCESSION

The license fee only covers the use of the IPP Codec Plug-in for OPAL code "as is" for commercial purposes - it does not include any consulting, support or integration services.

The license allows the licensee to make full use of the IPP Codec Plug-in source code in his commercial products.

The end user will be able to test the IPP codec by using the Open Source code from SourceForge before purchasing.

Development, integration and support are NOT included and can be requested separately.

## 4. COPYRIGHT

The ownership and the intellectual copyright concerning the License are of Stonevoice property. Please refer to the IPP Codec Plug-in Contributor License Agreement form in order to conclusively and clearly set out the responsibilities and obligations associated between Contributors and Stonevoice as owner of the Project.
